YOUR HOME-BUYING GUIDE

WELCOME HOME! You are about to embark on a journey of identifying & negotiating your next home. Whether a first-time buyer; a repeat buyer; vacation home buyer; or investment buyer - you can expect excellence from Signature Page Real Estate. Our goal is to limit the hassle for you, maximize our resources, and navigate you successfully & cheerfully to the closing table.

Choosing to purchase a home is an incredible investment and risk taking. It's important you have all the proper tools, direction, and information to ensure you are buying RIGHT. You'll find information in this guide helpful to you during and after the buying process. Use it, take notes, and ask questions. A curious buyer is a smart buyer.

Let's start the process! I look forward to meeting all of our goals together.

ABOUT SIGNATURE PAGE REAL ESTATE

The identity of Signature Page Real Estate lies in the owner and their agents. Diligent, Educated, Driven, Innovative, Capable, Accomplished, Trusted, and Empathetic - DEDICATE.

Signature Page Real Estate was founded by Sean Page, with the premise that their clients are not a number and their investments need the utmost attention to detail. Not alike your typical franchise competitors that spread their brand with strength in numbers, thus end up in the “managing a real estate office” business, Signature Page is a boutique style brand that dedicates its time and efforts to the client and their needs. Our business is about putting the client first, from the owner of the business down to each of their agents.

We are successful and professional consultants that strive for your maximum results. We build fiduciary relationships and foster them to last a lifetime. As a fiduciary, we truly have your best interests at all times.
